

The Minister's Message.

Dear friends in BMC,

We are entering into July through to September on this plan. I always find July and August to quieten down somewhat as people take holidays and enjoy the summer.

A chance to catch our breath and enjoy some rest. It may also be a time to organise, sort out, clear away while life is calmer. I always remember one summer when we took a decision to rip out some old rotten wood decking in our garden. It got to a point where I was wondering if I would fall through with each step I took.

Really, the circuit I was in should have sorted it out, but needs must! What amazed me though was after. Once cleared, the question arose "What shall we do with the space?" Patio? Vegetable patch? More grass? Rebuild the decking? There was lots of choice.

Sometimes we can only explore the possibilities of something once we have cleared the space and prepared the ground. We couldn't visualise that potential while staring at some unsafe rotting wood. The decking served no purpose for us, other than to sit around for years.

I hope in worship and in the few months before the busyness of September comes in, you may find that rest needed, but also that chance to clear away and create some space for God. Who knows what possibilities lie ahead when we do?

It has been such a blessing to be part of this circuit for the last 2 years. I am excited what God may do. Let's ensure we give space in worship for the Holy Spirit to move.

God Bless,

Rev. Simon Rose
